

# St Martin's Primary School

Welcome to Lima Class

Autumn Term 2017

## THE YEAR RECEPTION AND ONE TEAM

**Class:** Lima

**Teachers:** Mrs. Greenwood

**Teaching Assistants:** Mrs. Caiger, Mrs Morland, Mrs Jordan and Miss Ritchie

### PE

Please remember that you need your PE kit in school every day. Please tie back hair and remove earrings otherwise we will have to tape over them.

If earrings are not removable then please provide some micropore tape in your child's PE bag to cover your child's earrings.

### Forest School bag

Please provide your child with an old named pair of leggings/jogging bottoms.

Waterproof coat.

Long sleeved T shirt.

They should be in a named bag and left on your child's peg all week.

Wellington boots should be put on the outside rack for your child as we are often outside and playing with the water.

They need to be left in school all week.

### Year 1

### **HOMEWORK**

After the first couple of weeks, spellings will be sent home weekly. Please help your child learn them for their spelling test.

They will be sent home on Tuesdays for a spelling test the following Monday.

Please also listen to your child read daily and fill in their reading record book.

### Hair

Please can you tie your child's hair back every day if it is longer than shoulder length.

### Coats

Even if it is sunny in the morning, please provide your child with a coat every day. It can often be windy, or changeable and we are operating a free flow environment where children can choose to be outside as often as they like.

Please feel free to come and talk to me if you have any worries or queries and I will try to help you.

We are very much looking forward to working with you and your children at St. Martin's and for us all to have a happy and successful year.
