

13th October 2017

This week's spellings can be found on the class page. You will be tested on Thursday. In addition to learning each spelling word, please find out what each word means and write a sentence containing the word in your homework book.

When you have written the sentence, please underline the main clause in your sentence.

This week, De Porres class have been learning how to identify main and subordinate clauses and how to use a variety of co-ordinating and subordinating conjunctions.
