

Dear Parents,

This is a reminder that we would like to set up a **School Parents Forum**. The main purpose of the forum is to enhance communication between parents and carers and the school. The proposal is that each class nominates two representatives to be part of the forum. It will meet at least three times a year. It is intended that a governor and a member of the leadership team will attend each meeting.

The School Parents forum is designed to enable parents and carers to express opinions, share ideas, ask questions and develop solutions. Our aim is to strengthen our school community and work together to ensure that St Martin's remains a positive and successful school community in which all feel welcome and that they can make a contribution.

If you would like to consider taking part as a representative for your child's class, there will be an initial meeting on the 9th November at 6.30 pm for anyone who would like to find out more or to become involved. Please come along to find out more and contribute to setting up the St Martin's Parent Forum.
