Dear Parents

I hope that this finds you well and back into the swing of school life?

As we are all aware, we have been part of considerable change at St Martins over the past few months and so I am keen to get a date in the diary for our next Parent Forum meeting. This will bring an opportunity for all parents to meet Mrs Cosgrove and to hear her views on school life within our Federation. We have agreed on Thursday 1st November, in the hall at St Martins, 7 p.m till 8 p.m. Please can you mark this date in your diaries?

I will be in touch nearer the time and will ask for some ideas for the agenda for our meeting. As last time, it is another great opportunity for us parents to get involved, ask some questions and have our say.

In the meantime, if anyone has any queries, please feel free to catch me in the playground or email me directly on parentforum@stmartins.reading.sch.uk

With warmest regards

Charlie Cox
