Presents, Prosecco & Pampering!

It was wonderful to see so many lovely ladies shopping, catching up & having fun at our new event yesterday evening. We raised an incredible £750 from ticket sales, the raffle and bar as well as the stallholders charge. Huge thanks goes to **Theresa Lisi** who organised the event and attracted an amazing 20 stall holders, selling a fantastic range of beautiful items. We're already looking forward to next year!...

Planning the **Advent Fayre** is an enormous undertaking, and there are so many ways you and your families can help; **Raffle tickets** are being sent home today. Please sell them to your friends and family, extra books are available from the office. All ticket stubs & monies in the PSA postbox please.

Send in any good quality **Preloved Toys, Teddy's & Books** (Any not sold on the day will be donated to charity). If you have any **new, unused gifts** you're willing to re-home please let us have them for our **Gift stall!**

We're looking for donations of plates of food from around the world to make the **International Café** a success, get in touch with Jackie, 07989 568 227 or jackiecolao@live.com if you can help, or send in some **festive baked goods** for the refreshments stall on the day!

'**Christmas Cups**' are being sent home today. Please fill them with goodies, small toys or sweets, wrap them in cling film, and hand them back to your class teachers before **Thursday 22nd November**.
